♥	Just Another Button Company small red velvet heart button

Fabric: 32ct. Antique White Belfast Linen  
 Design Size: almost 2 x 2"  
 Design Count: 30 X 30

Hitced cross      White lines in Begonia and grey lines in Voodoo Flame

### Instructions:

Find your center of your piece and start that point to have it equal out on all sides, which means starting at the bottom of your big heart. You can then start with cross stitching the stem and leaves, then cross stitching your heart, or the heart first, which ever way you like!

The hitced crosses surrounding the heart flower are in 2 strands ST Red Plum. The corner back stitched hearts are in 1 strand NN Voodoo Flame and the small swirls are in 1 strand WDW Begonia. The horizontal satin stitches are in 2 strands WDW Begonia and the left hand heart is an arrow stitch in 2 strands NN Voodoo Flame . The right hand spot is for the small red velvet heart from Just Another Button Company. If you like you can just add another arrow stitched heart instead.

Now you can finish in whatever manner you like, a scissors fold to a small ring box from Sudberry or a flat fold

### Finishing for scissors fold:

Count out 12 threads from each corner point of design and mark this spot. Put right sides of pattern and material together stitching along the counted out 12 threads, leaving a minimum 1" open at top left-hand end. Cut excess fabric.

Turn right side out. Fold ribbon in half and knot at ends, tuck into opening and whip stitch, catching ribbon as you stitch. Leave small opening, fill with rice or emery and continue to whip stitch closed.

Loop ribbon through sciss
