	Perlee Crème or DMC #12 white perle cotton
The Thread Gatherer	
+	Silk N'Colors – Nan's Mulberry SNC 040
●	Mill Hill beads 42012 Royal Plum

Chart Instructions

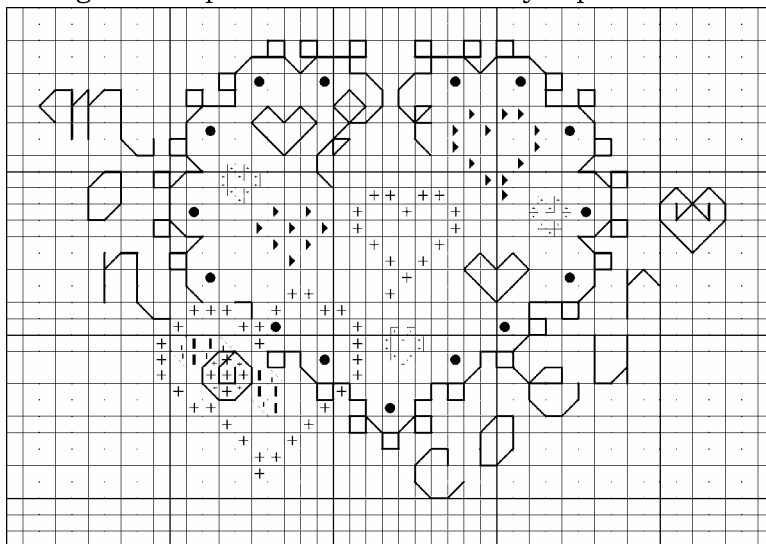

On the chart all black lines are worked in backstitch using only 2 different colours.

First backstitch the large white heart using Soie Perlee Crème or DMC Perle Cotton #12 white. This will give you a good starting point for the remainder of the stitching.

The backstitched heart motifs, words and outlining of the rose are all worked in Soie d'Alger 4625 dark pink. The beads are attached with SNC Nan's Mulberry. See the colour photo above.

This little piece can be framed or finished into whatever you like, perhaps a pincushion or scissor fob.

I designed this piece in celebration of my trip to Montreal to teach.

Montreal is such a cosmopolitan city with an old world feel, so different from Western Canada where I live. That feeling and the lure of a different language, French, gave me the inspiration for 'Mon Coeur'.

Mon coeur means 'my heart' and I know that stitching has my heart!
