Join Jeannette on board for a week long adventure of sun, fun and of course stitching.

Come on board the Ruby Princess with her beautifully appointed staterooms, pools, spas, and signature and piazza style eateries. Enjoy Movies Under the Stars on the gigantic outdoor movie screen or take in the Las Vegas Style shows.

Classes and stitch time will be set up on the days at sea and then you will have free days to discover the amazing ports of Grand Cayman, Cozumel, Mexico and Ocho Rios, Jamaica.

In addition to the stitching and cruising will be an entire week of special treats and surprises, including a welcome aboard cocktail party, chocolate covered strawberries, one on one time with your favorite designer at her relaxed and vacation best. And of course some secret surprises that we'll shower you with once on board.
