Passport to Alaska

Join Jeannette on board for a week long adventure of majestic beauty along the shore line and in your stitching.

Come on board Princess Cruises Sapphire Princess with her well appointed staterooms, pools, spas, and amazing dining rooms and specialty restaurants. Enjoy one of the most scenic and relaxing vacations you will ever experience.

Our project will take us over 2 stitching classes and a finishing class on our 3 days at sea days inter mingled with days to discover the amazing ports of Skagway, Juneau and Ketchikan and a bonus stop in Victoria British Columbia.

In addition to the stitching and cruising will be an entire week of special treats and surprises, including a welcome aboard cocktail party, cabin treats, one on one time with your favorite designer at her relaxed and vacation best. And of course some secret surprises that we'll shower you with once on board.

You will receive an autographed pattern and all necessary supplies to complete an exclusive cruise only original project designed especially for us by Jeannette, who will undoubtedly be using love of the North as her inspiration.
