Chart Instructions:

Cross stitch: use 2 strands of floss

Back stitch: use 1 strand of floss

- Start out backstitching the apple outline in 1 strand 610. Then cross stitch leaves as shown and outline them in 1 strand 3011.
- For the petal stitch use 2 strands 3782 (white lines on stitch diagram) placement is shown on main graph.
- Bring needle up at triangle on stitch diagram with 2 strands 3777; pass the needle under the 3 threads of each corner in turn, around in a spiral, without piercing the fabric. Pack the threads closely going around 3 times and end by inserting needle at the circle on stitch diagram.
- Cross stitch little swirls in 1 strand 3777 and random cross stitches as shown.
- Star eyelet stitch the binding in 1 strand 830.
- Running back stitch the border, going first one way and returning to fill in on each row, make one pass using thicker line and return pass using thinner line.
