

Errata for Seaside Stitches Accessories.

These instructions were inadvertently missed in the stitch instructions for the **Whale and Starfish Ruler**.

The tiny starfishes are done in 3861 for the outer ones and the inner ones are in 761. The symbol is not very clear.

Shell stitch in WL Avalon around your initials and date. Both the grey and white lines are in Avalon. The first satin stitches are the building of the stitch then tie down the set of 5 satin stitches. You can either build all the tied satin stitches first and then do the modified chain loop around each set after; or do it as you go, whatever works for you. Come up at A go back through the completed tied stitch and do not pierce the fabric just snug under the tied stitch and go back down at A on stitch diagram.

Modified Scotch stitch around whale and starfish all in WL Avalon.
